Acle & Bure to Yare Benefice

together with Acle & Beighton with Moulton*

From the (Reedham) Rectory

Driving along the flooded road from Lingwood yesterday, I was not sure that we would actually get home. I was reminded that, at the beginning of the year, walking on the Halvergate road from the Rectory and seeing how the trees were growing in the Spring I had been heartened by the old rhyme:

If the ash comes out before the oak, there will be a summer soak.

If the oak comes out before the ash, there will be a summer splash

But it seems that the trees didn't get it right this year. There was no doubt that the oak beat the ash in April, each day the oaks along the road were greener and the ash stood by doing nothing. Wonderful, I thought, and saw before me the promise of a beautiful, balmy summer of long warm days. As I write this we have had days, or is it weeks, of heavy and consistent rain. Did the trees get it wrong this year?

The one thing we can say is that the weather is unpredictable and has an enormous effect on many people. Our farmers depend on the weather and the unseasonal rain showers have frustrated the efforts of our region's arable farmers this week, delaying the final completion of the harvest.

However, we do seem to have been blessed with a few providential sunny spells. At the Reedham Village Fete there were some splashes but lots of sunshine. It was good to see Reedham School children performing their songs and dances. It seemed to be an ideal Village Fete with everyone enjoying themselves. But whatever you are doing or planning, the weather can make such a difference.

We are planning our Passion Play for Good Friday 2017, April 14th, and there is certainly no way of predicting the weather for that particular day. The play will take place in various locations around Reedham village and we are hoping that we will be blessed with good weather. It seems a long time off but already planning is well under way and you will see our invitation for people to take part later in this issue.

One of my favourite stories in the Bible about weather concerns the prophet Elijah. He was afraid and ran for his life and ended up in a cave. The Lord said to him: "Go out and stand on the mountain before the Lord, for the Lord is about to pass by." Then a great and powerful wind tore the mountains apart and shattered the rocks, but the Lord was not in the wind. After the wind there was an earthquake, but the Lord was not in the earthquake. After the earthquake came a fire, but the Lord was not in the fire and, after the fire, came a sound of sheer silence. When Elijah heard it he went out and stood at the mouth of the cave. Then there came a voice to him that said: "What are you doing here Elijah, return to the wilderness of Damascus." Elijah heard the voice of God in the silence and returned full of courage.

Let's hope that our summer weather improves and that the oak and ash trees were right after all. There is another tradition worth checking too. I am writing this on 14th July and tomorrow is St. Swithin's day – what will the weather be like I wonder!

With every good wish to you all.

There will be flowers, fruit, vegetables, cookery, craft and photography exhibited and also a good display of children's work – plenty to see and games, raffle and refreshments. Exhibits, which do not have to be perfect, accepted from 8.30am. The Show opens to the public at 2.30pm and prizes presented at 3.30pm. Any queries to Amanda on 01493 701685. Hope to see you there.

Reedham Gardening Club

Following the heavy rain, flowers will revive if dead-headed and fed with tomato fertilizer. We can now enjoy our hard work and harvest our vegetables. Beans, especially, need picking frequently so they continue to produce. The spaces can be filled with lettuce, radish and Autumn and Winter vegetables, such as sprouts, cauliflowers, cabbage and leeks.

Mothers' Union

A very interesting talk was held at the coffee morning in Reedham Church on 16th July. Two representatives from AFIA (Away From it All), one of the Mothers Union projects, came to tell us how needy families were referred by Welfare Workers, Police and other charities for a holiday at one of the caravan coastal sites in Norfolk. Some sad stories were related and the follow-up how much the week's holiday had helped them. It was a shame that not more people were there to hear about it.

A big thank you for anyone who knitted jumpers, baby hats and blankets for another of Mothers Union Projects.

All Saints Beighton – Heritage Day Saturday 10 September 2016, 10am – 5pm

Saturday 10 September 2016 is the Norfolk Churches Trust annual Ride, Stride and Drive. On the same day All Saints, Beighton will also be holding a Heritage Day at the church as part of the Heritage Lottery Funded project when everyone is invited to come along to learn more about the history of the building and the work being planned to restore and improve it. There will also be a display of local treasures residents of Beighton and Moulton may have dug up in their garden or have hidden away in the attic or outbuildings. Contact Suzanne Peek on 01493 751011 if you are interested in displaying items. A selection of parish records from the Archive Centre in Norwich, a special trail for young and not-so-young people to discover the many interesting features of All Saints and hopefully the chance to record your memories of Beighton and Moulton – church, school, village etc – will also feature on the day. And of course, no event at the church would be complete without our amazing refreshments which on this occasion will be delicious cream teas. We hope to see you all there on the day.

St Andrew's, Wickhampton, News

We've had 2 visits by Ace Cultural Tours, one in June and one in July. There were two groups of people led by Imogen Corrigan, who is a medieval and Anglo-Saxon Art Historian, and Michaela Rowland Hall and Alison Marshall, the tour managers. Peter and Elizabeth Ledward met with them and organised refreshments – thank you. Gemma Walker, who is a member of the Norfolk Wildlife Trust, has carried out a wildlife survey in our churchyard with a view to next year leaving a small section for nature conservation.

Records of the wildflowers and wildlife have been recorded this year although we have been strimming the grass since the spring. We will receive a written report and guidance on management of a proposed area as from next year, which will be left to grow flower and seed until July when we can then cut and rake away.

REEDHAM PARISH COUNCIL

Meeting held on Monday 6th June 2016

There were 8 Councillors present plus County Councillor Iles and District Councillor Nurden and 5 members of the public.

The Chairman said that Norfolk County Council (NCC) Highways Department have written to say they are looking into the situation on Pottles Lane. Cllr Rushbrook asked about Mill Road and the Chairman said that this was being considered too.

The Chairman announced that he had received a letter from the Parish Clerk which tendered her resignation due to health matters. She intends to maintain her duties until a replacement is appointed.

County Cllr Iles said that a letter of appreciation should be sent to the Clerk, which he would endorse. He then went on to brief the meeting on NCC matters. The new political leadership is bedding down and there are not too many changes. Devolution was very topical and he hoped that the Parish Council would have input into the debate. The main digging for the Northern Distributor Road is well-advanced. In respect of local issues, he still believes public funding for the footpath near Brit House is unlikely and that a local initiative would be best; Acle is seen as a 'crossroads' for rural transport – NCC is promoting the flexi-bus for cost reasons.

The Vice Chairman asked if the cost of re-instating the footpath had been clarified as this had been discussed at the last meeting, especially in respect of financing public liability insurance cover. Cllr Iles felt this was more of a local matter. The issue of NCC selling off land was also discussed. Cllr Iles felt that NCC selling strips of land to generate income was acceptable in the right circumstances, but not wholesale disposals.

The Vice Chairman questioned NCC's commitment to bus services to and from Reedham. Cllr Thompson said that there were services most days and that her experience of using them, including the flexi-bus, was good. County Cllr Iles said that rural bus services were subject to competitive tendering and that it was a case of use it or lose the service. Cllr Rushbrook said she would ensure the services were publicised in the village Outlook magazine.

C Bradbury, presented the Reedham Community Association report to the meeting. The principal points were that there are no issues with the play equipment after the monthly inspection, BT are still vacillating on providing adequate broadband to the hall, the committee are looking to appoint new treasurer due to the current incumbent standing down, fund raising is going well and the annual village fete is on 10th July. It was acknowledged that the playing field grass needs to be cut and arrangements were in hand. Cllr Bilverstone enquired about the Football Club. C Bradbury said that the cheque held against any deterioration in the changing rooms had been cashed-in after discussion with club officials.

District Cllr Nurden gave his report. He wished to draw attention to 2 points: the Street Scene Service and the Conservation Team in the Planning Department. In respect of the former, additional leaf clearance is being phased out after a trial in 2015/16, reduced road and footway sweeping is being introduced after a successful trial, dog and litter bins are to be provided by developers on new sites, the public convenience in Reedham is to be maintained and the Council plans to use recycled plastic posts for repairs to street signs. Potential reduced staffing in the Conservation Team is only a

temporary matter which will be resolved in a few weeks, according to the Head of Planning. Finally, maintenance work on the quay will start on 11th July.

Cllr Bilverstone informed the meeting about an arson attack on the public conveniences. District Cllr Nurden said he would check out the insurance implications.

C Mutton, updated the meeting on his planning application. It was discussed at the Planning Committee meeting on 25th May. The vote was 10 to 2 in favour of the development (24 houses off Station Road). Cllr Rushbrook was dissatisfied with the behaviour of some Council officials who talked to each other whilst others were speaking. Vice Chairman Mills deputised for the Chairman in attending the meeting.

Cllr Bilverstone said that the 'wild flower' part of Middle Hill is rampant. The Chairman said he that he would inform the Tree Warden with a view to sending a letter to the person responsible.

Cllr Rushbrook informed the meeting that she had written to the Practice Manager for Reedham Surgery about inconsistent opening hours. The Chairman said that he would follow this matter up with the surgery. It was agreed that the Parish Council should write a formal letter to the surgery.

A concern was raised by N Bagshaw that a hardwood tree (and possibly more) had been felled at the front of the house opposite the Witton Close entrance. The Chairman said he would ask the Tree Warden to look into this matter.

Cllr Ward conveyed N Bagshaw's position in his absence. N Bagshaw believes he has done all he can to raise public awareness and galvanise action to reinstate the footpath. His expectation is that the Parish Council will represent the petitioners' interests in seeking to have the footpath reinstated. The Parish Clerk has been given copies of all relevant documentation and anything further of relevance will be forwarded too. The NCC Countryside Manager – Trails and Projects has taken the matter up and has been very positive. With respect to the Broads Authority's behaviour in the matter, N Bagshaw will pursue the issue personally; he has already written to the Information Commissioner.

Meeting held on Monday 4th July 2016

There were 11 Councillors present including the Clerk. Also present was District Cllr Nurden. 6 members of the public were present. Council meeting commenced at 7.30 pm District Cllr Nurden informed the meeting that Norfolk were against a public consultation with regard to devolution and Suffolk were in favour. Apparently the public toilets were closed due to fire to give time to clean. The Tree Warden Officer has left the post but will be replaced.

Clerk informed the meeting on behalf of County Cllr Iles that it had been agreed that a public consultation would take place within the next few days.

The Chairman of the Village Hall Committee Chris Bradbury gave the following report: Repairs had taken place on the pavilion as brickwork was coming away. There are no issues with the play equipment following the inspection in June. Still waiting to hear regarding the installation of fibre optic broadband with BT. Chris is carrying out the accounts function as a replacement treasurer still has not been found.

Fund raising:

June bingo jackpot was won therefore now stands at £210.

The film on 6th July Yarmouth in the Sixties and Crabs and Shannocks.

The Village Fete is on 10th July from 1-4pm.

On 30th July there will be a showing of the 1966 FIFA World Cup Final. With free entry.

On 3rd August the film will be "Eddie the Eagle".

Further comments:

Resident of Pottles Lane complained about the state of the road. The bank is gradually diminishing and the size of the pot holes nearly causes an accident due to vehicles swerving to avoid the deep pot holes. He also suggested that the speed limit be reduced to 30mph. The Chair informed the gentleman that this had previously been reported but NCC decided no action would be taken. Clerk to write again and the gentleman urged to also write.

Councillor also reported the continued passage of tankers to the sewage pit and was informed that this is to be expected in July. Following on from this remark Cllr Mills had attended the planning meeting with regard to Station Road and reported that Anglia Water had been asked about the sewage problem once the 24 properties had been built and they responded that it was adequate. It was agreed to obtain a price to have the football pitch cut.

Cllr Lester informed the meeting that she would be attending a meeting shortly. The HLF grant hasn't got far as they have been too busy will check again in 2 months. Apparently there will be a re-enactment in Reedham in approx 3 years time. Queries with regard to the Conservation Area on Middle Hill should be cut in July. Cllr Lester will monitor to ensure it is done.

Cllr Bilverstone informed the meeting that Mr Brister had been extremely helpful on the allotment to assist him, as he is presently incapacitated and requested a letter of thanks be sent to him from the Parish Council. The manure had been tipped for all to use. The cut trees on Mill Road might offer some mulch for the pathways.

Cllr Mills had been interviewed by B.D.C. with regard to the swing bridge. It is in need of repair and the decision to keep it or replace it is being discussed. Apparently there will be a public consultation.

It was agreed to discuss the Permissive Footpath next time that County Cllr Iles and Mr Mutten are in attendance.

Time and Date of Next Meeting.

St Botolph's Church, Limpenhoe - Sea Sunday

A Special Service to celebrate Sea Sunday was held on 10th July, and attended by village and church members and members of the Royal Navy representing their support for the Mission to Seafarers. This year Sea Sunday celebrated 160 years of caring for seafarers. Revd. Martin Greenland led the worship which was an opportunity to remember and offer prayers for the 1.5 million brave men and women who go to work at sea around the world to make sure we receive our essential items. They are often in dangerous and lonely conditions, not seeing their families for months at a time. Churches all over the world were asked to join a global celebration of the enduring and vital work of the Maritime Christian Mission to Seafarers (1856 – 2016). Following the service, the congregation enjoyed refreshments of tots of rum! and cheese straws provided by Christine Fisk and Simon Ash.

Freethorpe Women's Night Out

Our annual outing will take place on Wednesday August 3rd when we will be visiting the Museum of Memories on King Street in Great Yarmouth for a conducted tour led by Rosie, as Valerie Hawkins is recovering from an operation on her hip. This will be followed by a fish and chip supper at the Regent Restaurant and then on to watch the fireworks display on the seafront. All members welcome – contact Brenda Pawsey on 01493 700068 or Pat Carter 01493 700777.

Our speaker in July was unable to attend so we were so grateful to Ian Hytch who stepped in at the last minute and gave us a delightful and entertaining evening with 'His love of Music'. He spoke about his childhood with his father who introduced him to Beethoven and encouraged his family to attend concerts of classical music. His musical career eventually brought him to Wymondham College where he was Head of Music and he now lives in Freethorpe from where he teaches the pupils at Freethorpe School. We listened to many orchestral extracts and performances he had conducted and composed. Thank you, Ian.
