## From the Rectory

3.

Watching David Attenborough's *Wild Isles* and *Springwatch*, marvellous though they are, I'm reminded that the television presentation of wildlife is rather unlike the real experience of trying to observe wildlife for ourselves. Television seeks to generate an unbroken sequence of creatures almost presenting themselves to the camera, giving unobstructed views and revealing fascinating behaviour. Our own garden, or even a nature reserve may seem rather disappointing in comparison. The patient waiting and searching; the tantalising, fragmentary glimpses of real wildlife watching have been edited out. Moreover, we may not yet have learnt just how to pay attention: a birdwatcher will see and hear many more species in a location than a person who hasn't honed those skills over the years. I never realised just how many different bee species used our garden until I learnt how to notice and identify them.

I find it impossible to focus on more than one thing (or person) at a time. That may not be quite so true for you; but I'm sure that where we focus our attention still affects what we pick up. That's the premise, for example, of wine- or whisky-tasting. I recently took part in something called "walking church". I saw very little wildlife on the walk, because, for once, my attention was elsewhere! For most of the walk, engaging in meaningful conversation with the person alongside you was encouraged: paying careful attention to one another. But for one section we were asked to walk in silence, making us more aware of our natural surroundings and our own bodies, thoughts and feelings. Some on the walk will have sensed the presence of God, whether internally, in creation around us, or in one another.

God is, whether we're aware of him or not; but if we don't seek to pay attention; if we don't learn how to sharpen our senses, make ourselves receptive, we're much less likely to notice. It's perhaps not surprising that our culture's demand for instant gratification with minimal effort (e.g. wildlife through the lens of Attenborough) has gone hand in hand with a decrease in awareness of (belief in) God.

One of the functions of the Church is to call us to attention: in prayer; at worship; through the scriptures and insights of others. Why not come along for a taster session? Just don't expect instant results. In Jesus we have a living example of one who in his earthly life lived and breathed the very essence of God. For us, the experience can be more one of patient waiting and searching; of tantalising, fragmentary glimpses – but no less rewarding for that. For this is real faith, not the David Attenborough version.

In the love of God,

Martin Greenland

The Rector will be on leave from July 3rd - 23rd, inclusive. During this time, please use one of the contacts on page 2 of *Outlook*. If a priest is required, please refer the matter to Lay Minister Nicholas Cowen. Thank you to those diocesan and deanery clergy who will be covering Sunday services during this period. Note that there will be no 8am service at St. Edmund's on July 23rd (but there will be on July 9th and 30th).

### **Wedding Celebrations at Limpenhoe – see front cover.**

The whole community came together to organise and celebrate the wedding of Ellie Mules and Daniel Donaldson on Saturday 3<sup>rd</sup> June; the first wedding to be held in St Botolph's Church, Limpenhoe for nearly a decade. The service was conducted by the Revd. Dr Beth Cope from Cambridge, who was Ellie and Daniel's vicar until they recently relocated to Lingwood.

The church was bedecked with sunflowers, lavender and roses ready for the occasion with a marquee for the reception next to the Village Hall. Many members of the village hall committee and the Friends of St Botolph's had worked tirelessly to make the church, Village Hall and marquee look beautiful and prepare a sumptuous afternoon tea. For the wedding guests, many of whom came from the Birmingham area, this was their first taste of rural Norfolk. All were treated not only to the ceremony but afternoon tea, an evening barn dance and a beautiful sunset to end the perfect day.

Thanks go to everyone who contributed to make the day perfect in every way, including the Good Lord who gave us the sunshine!

Reedham and District WI have had a re-brand. We are now Reedham Belles (Reedham and District WI) – still a WI group, but eager to shake off the image that the Women's Institute is stuffed with older ladies, set in their ways and not offering much to younger women. We held an Open Evening on June 20<sup>th</sup> and are always keen to attract new members.

The July programme includes a talk on The World of Stinging Nettles ( July 4<sup>th</sup>, Reedham Village Hall “ 7.30pm)

A bat walk ( 17<sup>th</sup> July), a Summer Outing to Cromer and the End of Pier Show (7<sup>th</sup> July), lunch at The Hermitage in Acle ( 21<sup>st</sup> July) .

There are also opportunities to get involved with our national campaigns. Currently, members across the UK are involved in campaigns to reduce food waste and tackle food poverty (we support the local food bank), to raise awareness of the importance of local bus routes (particularly relevant in a rural area such as ours), to Link Together to Alleviate Loneliness (something exciting planned locally), and a campaign titled Make Time for Mental Health. Other campaigns relate to Modern Slavery, Climate Change (the WI is a founding member of The Climate Coalition), No More Violence Against Women and raising awareness around Autistic and ADHD women and girls.

If you missed the June Open Evening and want to experience one of our activities, please get in touch.

## Clothing of Sister Heidi Marie – See front cover for pictures.

On the 31<sup>st</sup> May Heidi was admitted to the Sisters of Bethany as a novice where she was clothed in the habit and veil and has taken on the name Sister Heidi Marie.

Taking on the Religious habit and veil symbolises a Sister's next step in her commitment to the vocation in a particular community. It also spiritually symbolises a Sister's call to give all to God in a life of prayer and speaks of a hiddenness and separation from the world.

The service took place at the community's main convent in Southsea, Portsmouth. Rev Martin Greenland was able to join us in the celebrations and it was a very joyful day. Sister Heidi Marie thanks everyone for their prayers and support as she said another 'yes' to God on this very special occasion. And it was wonderful to celebrate with everyone here in the Benefice on 11<sup>th</sup> June after the service at Beighton Church and we thank everyone who was able to be there...and brought cakes!

## Reedham School at Reedham Church - see back cover.

The whole school also visited Reedham Church, to have a tour firstly with Kati, who shared all her knowledge and experience with Otter class (thank you Kati) then they passed this on to Heron and Owl Class, during a lovely whole school adventure afternoon last month. We learned about the history of our local area, famous families and at the heart of this, our church. We even had a go at bell ringing - thank you to the Reedham Ringers for allowing us to have a go and giving up their time!

## Bike Ride 2023 - our 40th Bike Ride!

This year's Bike Ride is on Saturday 9th September and is an opportunity for all of us to raise money for the churches we love.. It is also the 40th Bike Ride in Norfolk.

You will find all the information you need on our [website](#) but do get in touch if you need any further information -

please email [info@norfolkchurchestrust.org.uk](mailto:info@norfolkchurchestrust.org.uk)

A group of volunteers meet regularly to help maintain the churchyard at St John the Baptist, Reedham. The grass is cut by a contractor, but we need people to weed/clear/prune on a regular basis to keep things looking tidy. It can be a fun session and usually we meet in the mornings because most of us are retired. However, I am aware that there are potential volunteers who are not available during the working day. With this in mind, I am organising a 6-8pm session on 20<sup>th</sup> July. Bring the family and spend an hour or two helping to preserve this very special place.

The kids can pick up sticks etc, and the grown-ups can do whatever is needed. The churchyard belongs to us all, not just church goers, and is a wonderful haven for wildlife as well as an important reminder of our local history.

Please come and help look after it!

If you have hand tools, it would be helpful if you bring them, but if not, just bring your enthusiasm. No experience needed.

If the weather is foul, we will reschedule.

### In Memoriam - Alan Haycock dec'd

During our time together here in Reedham, Alan had much enjoyed working as a conservation volunteer at Strumpshaw Fen Nature Reserve. An oak bench, which the RSPB has kindly allowed me to dedicate to my dear late husband, has been installed at the recently renovated Victorian steam drainage pump house under a lean-to shelter built to replace the former coal shed. (*See Back cover for photos.*) The Strumpshaw pump house, on the east bank of the River Yare and its high chimney, has long been a landmark for RSPB visitors, boat users and walkers on the Wherryman's Way long distance path. It is hoped many will enjoy this newly landscaped project as a picnic area as well as providing shelter from the elements.

Many came to say goodbye to Alan at his funeral in February 2019 and made generous donations in his memory to the RSPB. These donations were ring-fenced for a Strumpshaw Reserve project and I would like to thank everyone for being so kind. And suggest maybe taking a pleasant stroll down to the pump house by the river and stop a while on Al's bench.

**Meeting held on Thursday 11<sup>th</sup> May 2023 in the Village Hall**

There were 9 Councillors present, the Clerk, District Councillor Grant Nurden, and 3 members of the public. The meeting commenced at 7.30pm

Cllr David Hale was elected Chairman of the Parish Council, and Cllr Liz Bassett was elected Vice-Chairman.

Chairman of the Village Hall Committee Chris Bradbury gave the following report:

There were no issues with the play equipment safety inspections for May.

The 2 new EV car charging points supplied by Anglia Car Charging are not working. A visitor to the hall, who had just driven from Rugby, found they weren't working and had to go to Acle to charge his car. The fault seems to be the contactless payment system. ACC have been contacted but have yet to come out to investigate. Cllr Bagshaw was able to use the charging points but had to download an app. The RCA is looking to get some roadside signs to advertise they are installed and available, and also one in the foyer. They are not very visible so an additional one above them to ask petrol/diesel car users to leave them available. DCllr Nurden has a Ward Grant that the RCA can apply to for help with funding. It may be necessary to apply for a licence to install any signs on the verge.

The RCA adult theatre company will be performing The Bench Plays on Saturday 17<sup>th</sup> June, hopefully outside on the field, weather permitting. If not it will be in the village hall. Our Coronation Celebration on Sunday afternoon was well attended. The crowd were entertained with a great performance by Laura Daisy who sang a selection of 60's hits. The RCA stage school also performed a few of the songs from their production of Jack and the Beanstalk, which they will be staging 21<sup>st</sup> to 23<sup>rd</sup> July. We were also entertained by the African Drummers. The afternoon finished with a selection of races for children and adults. Thank you to the children of Reedham Primary and Nursery School whose pictures were displayed at the hall after taking part in a competition to draw a picture of King Charles III. The winning pictures from each year group were placed in the Coronation Time Capsule and buried on the village hall field.

The Council adopted the General Power of Competence.

Following the elections on the 4<sup>th</sup> May there are 2 Parish Councillor vacancies. If any resident, or person who works in the village, is interested in becoming a Parish Councillor please see the website for further details or contact the Clerk.

3 planning applications were considered:

- 2023/0882 – removal of 2 existing roof windows to south elevation (west end) to be replaced with conservation style roof windows. Installation of two new conservation style roof windows to south elevation (east end). Removal of part of internal flat ceiling to top floor bedroom on east end replaced with a vaulted ceiling to match ceiling in bedroom to west end. Removal of part of an internal dividing wall and internal window to east bedroom at 15 Church Road, NR13 3TX. The Council had no objections to the application.

- BA/2023/0132/FUL – erection of a workshop at Pearsons Yard, Holly Farm Road, NR13 3TH. The Council had no objections to the application.
- BA/2023/0106/HOUSEH – revisions to previously approved extensions. (BA/2016/0252/HOUSEH) including addition of two balconies at Seven Mile House, The Marshes. The Council had no objections to the application.

Notification of a planning enforcement notice at the Berney Arms was received and noted.

Planning application BAT/2023/0068/HOUSE for a snooker room extension to the rear of the existing garage at The Fourth House, 25 Riverside has been approved.

The speed sensor was located on the Halvergate Road, near to Pettitts last month. The 85% average speed was 33.7mph, which is comparable to the last time it was sited there in July 2022 at 33.4mph. There were an average of 231 cars per day, compared to 252 in July 2022. The next location will be Newtown.

The Council has received reports that cones are being placed on the white line hatch-markings at the junction of Freethorpe Road and Station Road. This is a traffic hazard and has been reported to the Police.

The Council nominated Chris Bradbury, Chairman of Reedham Community Association, for the Royal Norfolk Show Community Champions Tribute.

The annual accounts for the year ending 31<sup>st</sup> March 2023 were reported to the Council and are available to view on the website.

### **Meeting held on Monday 5<sup>th</sup> June 2023 in the Village Hall**

There were 7 Councillors present, the Clerk, District Councillor Grant Nurden, and 3 members of the public. The meeting commenced at 7.30pm

Chairman of the Village Hall Committee Chris Bradbury gave the following report: There were two issues with the play equipment safety inspections for June. The repairs by Fenland Leisure a few months ago required attention, on the Basket Swing a 6mm shackle has split open and on the Cone Climber the button heads sockets fixing has come loose. Hopefully these items were repaired today.

The 2 new EV car charging points supplied by Anglia Car Charging are now working. The black cover is not very visible so a new design will be replacing it soon.

Fundraising: the next film showing will be in September. Our film showing of “Matilda the Musical”, intended for children, unfortunately was not very well attended. Normal attendances for films are between 25 and 40 people.

The May Cash Bingo jackpot wasn't won therefore the jackpot for June stands at £200 in 54 numbers or less.

The RCA adult theatre company will be performing The Bench Plays on Saturday 17<sup>th</sup> June, hopefully outside on the field, weather permitting. If not it will be in the village hall.

District Councillor Grant Nurden gave a report:

Following the recent elections Broadland and South Norfolk District Council has a new administration. Labour, the Liberal Democrats, and the Green Party have formed a partnership to run the Council, with the Liberal Democrats being the lead party. The new Cabinet portfolio holders are:

Cllr Sue Holland (Lib Dem) – Leader and Policy & Strategy

Cllr Natasha Harpley (Labour) – Deputy Leader and Communities & Housing

Cllr Martin Booth (Labour) – Economic Development

Cllr Jan Davis (Greens) – Environment Excellence

Cllr Steve Riley (Lib Dem) – Finance

Cllr Dan Roper (Lib Dem) – Organisational Development and Transformation

Cllr Stuart Beadle (Lib Dem) – Planning

The Gypsy and Traveller Sites is having a further consultation on the additional sites that were put forward following the January to March 2023 consultation, there were 287 responses with only 18 in favour. This will run from the 5<sup>th</sup> June to the 3<sup>rd</sup> July and is referred to as the Additional Focussed Consultation.

I am pleased to report that my Ward Member grant has been fully spent on sound equipment for the Reedham Village Hall.

There were 2 planning applications for consideration and a consultation on green spaces:

- BA/2023/0162/FUL – install 56 solar PV panels, 3 x 250m ground loops for a ground source heat pump, & replace septic tank with a sewage treatment plant at Seven Mile House, The Marshes. The Council approved supporting the application.
- 2023/1238 – conversion of barn from workshop/gym/storage area into residential use at Owls Barn, Church Road, NR13 3TZ. The Council approved supporting the application.
- Consultation on Green Spaces in the Greater Norwich area – an online questionnaire accessed via <https://www.greaternorwichgrowth.org.uk/projects/>. This was noted.

The Neighbourhood Plan Regulation 14 consultation finished at the end of April and the steering group met to consider the feedback. A few changes will be made to the plan and it will be submitted to Broadland District Council by the end of June. An external examiner will then be appointed who will draft a report and may recommend some changes. Once this has happened the final Neighbourhood Plan will be put to the residents of Reedham in a referendum.

There are still 2 vacancies on the Parish Council. If you have lived or worked in Reedham for at least the last 12 months and think you could contribute to the village please get in contact the Clerk for further details on the role and responsibilities of a Parish Councillor.

### **Time and Date of Next Meeting.**

### New and updated learning areas to explore and discover...

Reedham Primary School took over the preschool run on its premises in 2020. We provide the highest standards of care and education for our children and an invaluable service to our families.

We give all children and their families a warm welcome and provide a safe, stimulating and inviting environment. Our children learn and develop through a range of play opportunities and experiences; supported and motivated by knowledgeable and enthusiastic adults.

We value parents and carers as children's first and most important educators and strive to work in partnership with parents to ensure the best start for children. The Early Years Foundation Stage begins in Squirrel class and continues through to Reception, Heron class.

Open for all children from 2 years to school age.

We offer 2, 3 and 4 year old funded places, both 15 and 30 hours.

We also accept childcare vouchers and tax-free childcare schemes.

We are open Monday to Friday 8.45 - 3.30pm with wrap around care options available.

If you have any questions or would like to arrange a visit, please do not hesitate to get in touch.

## **Morning Prayer at Wickhampton: Sunday 4 June 2023**

– see back cover.

With Revd. Greenland away on a much-deserved holiday, we were delighted to welcome Sister Elizabeth Pio and Novice Sister Heidi Marie of the order of the Sisters of Bethany, to lead our morning prayer service on Trinity Sunday. Sister Heidi apparently likes the challenge of a good mystery, so took on the task of trying to explain the meaning of the Trinity, with help from the writings of Julian of Norwich (published 650 years ago this year). With thanks to them both, and our best wishes to Sister Heidi for the journey ahead.

## **Acle Churches Together Prayer Walk – see back cover**

This took place on Sunday 11<sup>th</sup> June. Representatives of all the local churches went round the village, praying for the various businesses, communities and local services for travellers and visitors; including, as pictured, the Travelodge.

## **OVER FIFTIES CLUB AND LOTTERY**

We have had a very good month and gained another new member into our Over 50's family.

Our members with June birthdays were celebrated with a splendid buffet and a birthday cake was made by Linda as Jean Robson was 90. Jean had her special card from the club as we do for all members who have milestone birthdays. The committee and some members helped with the food. Our club is successful because we all work in together, the Committee and various members support us by donating food, this support never wanes we make sure everyone is treated the same on their birthday and on special occasions. We are now planning Norfolk Day at the end of July and it is hoped some members will dress up, but just a tee shirt or a special hat is adequate. There will be a buffet and also we will celebrate members with July birthdays.

If you would like to join us just come along to Reedham Village Hall any Tuesday at 1.30pm and you will be made most welcome. Annual membership is £7 and weekly subs are £3.00. If you are lonely then do make the effort and come along.

## **LOTTERY NEWS**

At the time of going to print our lottery has not been won so the jackpot continues to grow. This is open to non-members as well. It is £1 per week if you would like to join then give me a ring.
