We are kicking off our celebrations of the Coronation with a special service for the eve: 7.30pm, Friday 5<sup>th</sup> May, at St. Edmund, Acle. We will pray for the King and for church and nation; and the Benefice Choir will contribute some appropriate anthems.

The following day most will be watching the service itself, either at home or as part of a larger gathering. There will inevitably be comparisons made with the Coronation of Queen Elizabeth II. There is no way that this event will rival that in terms of significance (or length!). Elizabeth ascended to the throne as a young princess, embodying all the hopes of a new, post-World-War era; one which we now know was to be contiguous with her long reign. We may well have now embarked on a succeeding era, but it is highly unlikely that it will coincide with the reign of King Charles III. Comparison with others is usually unhelpful. As the risen Jesus says in St. John's Gospel to the apostle Peter, as he looked over his shoulder at 'the beloved disciple' (probably John himself), 'What is it to you? Follow me.' Despite the weight of tradition, a Coronation looks forward, not back.

Nevertheless, I'll be interested to discover what modifications have been made to the service; and what those might reflect about changes in society and monarchy since 1953. A Coronation, with all the regalia and ceremony, is a richly symbolic service; but I expect those symbols have been modified or reinterpreted over the centuries. The orb, for example, in the hand of a god or emperor, originally symbolised dominion over the known world. Surmounting the sphere with Christ's cross, to produce what is technically called the 'globus cruciger,' indicates rather that the world is subject to God: that should then should define how any earthly ruler holding it exercises their authority.

We will no doubt hear a lot about service throughout the weekend – already signalled by the invitation to join in *The Big Help Out* on the Monday. That's in line with the example of Queen Elizabeth. But it can and should be traced back further to 'the Servant King'; and the example of Jesus himself to all who follow him, whatever their earthly status.

In the love of God,

Martin Greenland

## Church Notices

4.

The Benefice Service on 14th May will be at St. Margaret, Cantley. There are no regular services here, but the building is used for occasional worship by Cantley Primary School and is overseen by the Diocese of Norwich Churches Trust. A loose brass dating from 1519 has recently been fixed to the chancel wall. It is in memory of Cantley yeoman Henry Hildewell / Hyldewell, who desired that his body be buried within the church and left money for a new cope (a liturgical vestment) - which no doubt facilitated his request!

Ascension Day is Thursday 18th May: Holy Communion for the deanery will be at Ranworth Church at 7.30pm.

Sunday 28th May: Benefice Holy Communion for the Day of Pentecost at Reedham at **9.30am**; followed (10.45am) by the Annual Parochial Church Meeting for all parishes except Limpenhoe, Southwood & Cantley and Wickhampton (for quoracy reasons).

#### Breakfast Cafe

This was a new venture for the village hall team and the friends group. On Saturday 18<sup>th</sup> March we opened a morning cafe in the village hall, serving breakfast. As with any new venture we were uncertain how popular it would be and so we had to estimate how many people to cater for. I think we all lost a bit of sleep the night before imagining both an empty cafe and one where we couldn't keep up with the orders. On the day it started slowly but from about 9.30 until we closed at 12pm we were busy which was really nice. Congratulations to the team, Sue G did a marvellous job on front of house service supported by Chris T, Louise and Pat worked really hard in a hot kitchen, and Sue M kept the kitchen on track with washing, preparing and sorting. A big thank you also to everyone who came along and supported us. We hope you will come again to our next one on **20<sup>th</sup> May**. All proceeds go to the village hall and church restoration fund.

#### Champing

In May St. Botolph's is starting a new venture of champing in conjunction with the national Churches Conservation Trust. Guests will be able to come and stop the night in our church in a lovely rural setting. We hope this will appeal to people interested in historic buildings and churches, along with walkers, bird watchers, and anyone wanting tranquillity in a very exclusive and unique setting. More details on champing can be found on <https://champing.co.uk>

### Sister Heidi Marie

Please remember Heidi in your prayers this month as she prepares to receive the habit and veil of a Novice Sister within the Sisters of Bethany. She will also receive the name Sister Heidi Marie, and will begin a period of discernment lasting 2-5 years before considering Life Profession. Heidi's ceremony will take place at our main convent in Portsmouth on Wednesday 31st May. However, it is important to us to be able to celebrate with you all in the Benefice too, and so we would like to do this at Beighton church on Sunday 11th June where there will be a Holy Communion service. Please do come if you can as you have all played a part in Heidi's journey so far and we would love to raise a glass, or a mug, with you to the future. Thank you so much. To celebrate National Mills Weekend (13 & 14 May 2023), Dr Andrew Tullett combines his love of mills and Norfolk's village signs in his entertaining talk: "Norfolk Mills – on a stick". His focus is on the county's windmills and watermills - many of which can be seen on village signs around the county (including Wickhampton's) - and the stories associated with the machines and the people who ran them.

**A Talk by Imogen Corrigan M.Phil FRSA**

Join us for a journey through the visible shift in artistic tastes following the plague years which began in the mid-14<sup>th</sup> Century, when more than 50% of the population of Europe and beyond perished in the first wave of the disease. There were obvious social changes as people adjusted to the shocking losses in their communities, alongside an increased interest in the macabre. Reactions to the disaster are evident all over our parish churches: some in the form of explorations of what will happen in the next life, and others more optimistic and amusing.

Tickets: £5 each. The church café will be open for refreshments.

## **Thank you - from Vic & Christine**

Christine & I would like to thank, most sincerely, the congregation at St Edmunds for their kindness and generosity at my retirement on Easter Day. We were truly surprised to be presented with some wonderful gifts – I received a very 'natty' oak self-assembly cross (for use at Home Communion) which came in an oak box etched with a picture of the Church, a rather nice malt whisky, and some book tokens and Christine (Management) was given a beautiful bouquet and some Belgian chocolates, all of which were accompanied by some cards (of good wishes) signed by the whole congregation.

We'd also like to thank the Rev Martin Greenland (who made it back from Freethorpe) and Rodney Edrich (Vice-Chairman of Acle PCC) for their kind words at the presentation.

I have felt privileged to lead worship at St Edmunds since our arrival (intended retirement) in 2013 and expressed my gratitude to the congregation for their support and encouragement in that time - they're a 'great bunch'!

I believe that Nicholas Cowen will be taking on the responsibility for the Morning Worship services at St Edmunds in future, and I offer him my thanks and appreciation for this, and hope that his time with us will be as fulfilling as I have found it.

With our thanks and best wishes,

Christine & Vic Walsham

**Fishley Easter Service** (*See back cover – photo by Jackie Clover, Left to right, Rev Peter Glanville, Rev Andrew King and Rev Martin Greenland.*)

On Sunday April, 9th, Easter Sunday, the village of Acle demonstrated ecumenism at its best when a cross-section of members of the Roman Catholic, Methodist and Church of England community led by Rev Peter Glanville, Rev Andrew King and Rev Martin Greenland respectively assembled at 5.45am outside the 12<sup>th</sup> century church of St.Mary's in Fishley, a short walk from the village, to celebrate their traditional annual service which commenced with prayers and hymns inside the candle-lit church which lacks any electricity supply.

The congregation then processed outside where further hymns were sung and prayers recited. Finally, all present stood in a circle as bread and wine distributed by the officiating clergy. Then a rousing rendition of the hymn, 'Jesus Christ is risen today' was sung; after which refreshments were served at the nearby Methodist Church.

## Reedham Churchyard group

Thank you to the dozen or so volunteers who turned out and helped clear up the church yard on April 18<sup>th</sup>. It was great to see some new faces. I will arrange another clear up in the early summer – perhaps one evening to make it easier for those that work to come along. It is a pleasant way to spend an hour or two and perhaps meet new people.

## Reedham Ringers

We are busy practising to Ring for the King over the coronation weekend. There is a new composition that we are learning which was written in 1953 called Coronation Changes. Towers all over the UK will be trying to ring their bells in celebration and, nationwide, a few thousand new volunteers are in training for the occasion.

Listen out for your local ringers. We will ring Acle tower on Friday 5<sup>th</sup> before the 7.30pm service, Reedham on Saturday 6<sup>th</sup> (am) and we hope Halvergate also if we can raise a band. If anyone has ringing visitors over the Bank Holiday who fancy a ring, please ask them to get in touch with me!

## Reedham and District WI

This month we enjoyed a thought-provoking talk on sustainability given by Hayley Pinto on behalf of the global environmental campaigning group, Greenpeace. The main focus was on the impact of climate change on health and what we can do both as individuals and to pressure our governments and international agencies to make significant changes in legislation.

The WI campaign focus for 2023 is Clean Rivers for People and Wildlife and we are currently thinking about what action we might take as a group of local women with a very particular interest in an internationally important wetland area. Why not join us? Our next meeting is May 2<sup>nd</sup> at Reedham Village Hall, 7pm for 7.30pm. Our speaker will be Cora Mullenger from Horsey Seals. All are welcome to come and see what our group has to offer. If an evening meeting feels a bit too much for a first taste, some members will be taking part in a charity walk, Women Walk the World, an annual event when every WI raises money for small scale women's projects in developing countries. It is on 11<sup>th</sup> May at Gorleston. We will litter pick as we walk and chat - a good opportunity to get to meet us!

## Freethorpe Show

Meeting held on Monday 3<sup>rd</sup> April 2023 in the Village Hall

There were 7 Councillors present, the Clerk, District Councillor Grant Nurden, and 8 members of the public. The meeting commenced at 7.30pm

Chairman of the Village Hall Committee Chris Bradbury gave the following report:

There were no issues with the play equipment safety inspections for April.

After 3 start dates have come and gone Anglia Car Charging should start work on the installation of the new EV car charging points this Wednesday and complete on Thursday.

Fundraising: The March Cash Bingo jackpot wasn't won therefore the jackpot for April stands at £180 in 52 numbers or less.

The RCA adult theatre company comedy drama "Fitch and Pie" had good reviews and all the money raised went to the village hall.

We had over 60 entries to our Easter Egg Hunt, this is more than last year.

We will be holding a Coronation Celebration on Sunday 7<sup>th</sup> May from 12-4pm. We are also hoping to bury a time capsule on the playing field.

Broadland and South Norfolk District Council's move to new premises, the Horizon Building at Broadland Business Park, is on track for early May.

There were 2 planning applications for consideration, notification of a road closure, and a renewal of a Tree Preservation Order:

- BA/2023/0106/HOUSEH – revisions to previously approved extensions (BA/2016/0252/HOUSEH) including addition of 2 balconies – at Seven Mile House, The Marshes. The Council had no objections.

## The Garden in May

15.

Look after your finished spring bulbs for next year. Once they've gone over, resist the temptation to cut back the foliage. Instead, let it die and break down on its own. This will give you an even better display next spring.

Optimise your watering regime — watering early and late to get the most out of your water — and start collecting and recycling water whenever possible.

Harden off half-hardy plants by leaving them outside during the day and bringing them back under cover at night for 7 to 10 days before planting outdoors.

Prune Penstemon plants now — cut all the old shoots back to the base, providing there is new growth at the bottom of the plant. If there are no new shoots at the base, cut just above the lowest set of leaves.

Tie in rambling and climbing roses. Laying the stems horizontally will help to produce more flowers.

Continue earthing up potatoes. Pinch out broad bean tips to deter blackfly. Harvest rhubarb, picking only one-third of the total amount of stems.

## Nomads Theatre Company

Our pantomime Dick Whittington was such a success that we are currently preparing for a further one-off further performance at Swallowtail in Acle on Saturday 17th June. We could do with a couple more cast members for the show if anyone is interested in taking part in a one-off short pantomime?

AGM - The Nomads Annual General Meeting will take place on Friday 28th April at 7:30pm at Reedham Village Hall. If you would like a copy of the minutes, agenda and notice, please let us know and we can get one to you.

Nomads Quiz – Our last quiz of the season took place on Sunday 16th April at the Ship in Reedham. We raised a whopping £93!! Thank you to Wally as quiz master and The Ship for their continued support.

The monthly quizzes will resume towards the end of the year in autumn, possibly sooner! These fund raising events are vital funds for Nomads.

Fund raising is particularly important at the moment because our costumes and props are stored in a wooden shed with a leaky roof. We lost a lot of the roofing felt over the Christmas period in high winds and the roof requires repairing. We also found a lot of our costumes are damaged by damp and we are in need of plastic storage boxes with lids to help keep our treasured costumes and props safe from damp, mould and mice. If anyone has any plastic storage boxes that they'd like to donate to Nomads Theatre Company, or any donations at all, please get in touch. Thank you to everyone who has supported us with box donations so far, we are very grateful! The best way to keep updated is via our Facebook page (and you don't need to be a member of Facebook to read our updates).
